

**The American College Alumni Association
Catholic University of Louvain
2024 Dues Letter**

November 15, 2023

Dear Fellow Alumni/Alumnae,

At this time, as we have not collected annual dues to the Alumni Association for many years, the Board has decided to reinstate this practice.

The suggested donation is \$50, and we can call it your “yearly association dues” for calendar year-2024. Anything more than this suggested donation would also be warmly welcomed. Checks can be made out to “American College Alumni Association” and sent to Chris Fusco at the following address:

*Christopher J. Fusco, Esq.
Diocese of Metuchen
146 Metlars Lane
Piscataway, New Jersey 08854*

If you should have any questions or concerns regarding the above, please feel free to reach out to any member of the Board.

The next page has a form that may be included with your check.

Thanks very much for your support!
